## Press Release

### OLVEA launches its latest CSR performance report, OLVEAct Now!

OLVEA proudly announces the release of its new CSR performance report, **OLVEAct Now**, showcasing its achievements over the past year and its ongoing dedication to a sustainable future.

#### 2029 Vision: Striving for People and Planet

---

As OLVEA approaches its **100th anniversary**, the company reaffirms its commitment to sustainability with a forward-looking vision for 2029. Built on three key pillars - People, Product, and Planet - this vision aligns with **our corporate ambition, “Striving for People and Nature”**, setting ambitious goals to **navigate future challenges and drive impactful change**.

#### Anticipating change with proactive initiatives

---

The latest OLVEAct Now report highlights the company’s **main achievements over the past year** and the following **key performance indicators**:

- **People:** 98% of employees in France attended at least 1 training course in 2023.
- **Product:** 90% of our oils come from responsible sources  
*\*Responsible sources are defined in our Responsible Purchasing Policies. They include certified oils, oils from integrated supply chains or from co-products.*
- **Planet:** 100% of the electricity used at our French sites comes from renewable sources with guarantees of origin.

#### OLVEA’s commitment to the United Nations Sustainable Development Goals

---

As a committed **member of the United Nations Global Compact since 2015**, OLVEA is dedicated to contributing to the Sustainable Development Goals (SDGs). The company focuses on four priority SDGs that align with its CSR strategy:

- Preservation of terrestrial and marine biodiversity (SDGs 14 and 15)
- Fight against climate change (SDG 13)
- Promoting decent work and economic prosperity (SDG 8)

OLVEA's steadfast commitment to these goals is demonstrated by its **EcoVadis Platinum medal awarded to the company for the third consecutive year**, placing us among the **top 1%** of companies in terms of sustainability.

#### Message from the Board for Directors

---

“2023 has been synonymous with **change, innovation, and forward-looking initiatives** for OLVEA. This drive for innovation, bolstered by strengthened teams and expertise, has led us to **redefine our value proposition** to meet our customers’ needs more effectively. We are directing our efforts towards innovative technical solutions and bringing **new added value to our oils**. Our promise, « **Oils for a Healthier Life** », embodies this commitment to nutrition, well-being, and health.”

## About OLVEA: Nearly a Century of Expertise and Innovation

---

Founded in Fécamp (Normandy) in **1929**, OLVEA is a **French family-owned Group** which initially developed through the trade of cod liver oil, historically linked to the fishing port of Fécamp. Today, OLVEA is a leading **supplier of vegetable oils and omega-rich oils for nutrition and cosmetics**, with **10 sites and over 300 employees worldwide**. For the past 15 years, OLVEA has developed **sustainable and fully integrated supply chains** in the countries of origin for its raw materials in order to **foster local development and minimize environmental impact**.
